

Presentation of Marta Pagnini, a PhD student from University of Pisa

Contact details: marta.pagnini@phd.unipi.it

Brief presentation:

My name is Marta Pagnini, and I have a degree in Biology applied to Biomedicine. I am enrolled in the second year of the PhD program in Clinical Physiopathology, and my project is in collaboration with the company Probiotical. It focuses on evaluating the effectiveness of their probiotics on in vitro models of inflammation/lung disease.
