

Presentation of Alice Salamone, a PhD student from University of Pisa

Contact details: alice.salamone@phd.unipi.it

Brief presentation:

I got my bachelor's degree in General Surgery in November 2024 and began my PhD in Clinical Physiopathology, surgical area, in the same month. Therefore, I am now starting my second year. I have a project in the field of emergency surgery, and I work in the General and Emergency Surgery Department and Trauma Center of the AOUP.
